

Introduction to Project Management

ADULTS

Are you interested in learning the basics of project management? Join Amir Kohansal a Community Volunteer with professional experience in the field.

MONDAYS | 6:30 - 8PM
JANUARY 23 - MARCH 13
Brighthouse Branch,
registration required

JANUARY 23 | Project Management Essentials

Project management skills are necessary in almost every single business and industry. All of this work can benefit from some simple project-management techniques. In this workshop, we outline the necessary steps to manage projects and show how to use traditional PM tools—such as Gantt charts and network

FEBRUARY 20 | Introduction to Project Management Software

During this workshop we'll learn how to use Microsoft Project and we'll set up a small project from beginning to end! We'll also take a look at other useful tools such as: Excel, Visio and Primavera

MARCH 13 | Introduction to PMI and PMI Canadian West Coast Chapter

Founded in 1969, PMI delivers value for more than 2.9 million professionals working in nearly every country in the world through global advocacy, collaboration, education and research.(www.pmi.org) We will learn about this organization and the Canadian West Coast Chapter (CWCC).
