

ACCESSING THE PRESSREADER APP

Download the latest PressReader App from your device store.

1. If your device is not connected to the library's WiFi network, you must sign in with your library card to access full content.
 - Open the PressReader app. Tap *Accounts* (or the silhouette icon, depending on the device you are using.)
 - Tap *Sign In*.
 - Tap the *Library Card* icon (orange square). (For free-use, do not select Google, Facebook or other options.)
 - Select *Richmond Public Library* from drop down list, or search keyword "Richmond".
 - Enter your library card information. Tap *Sign In*.
2. Tap Publications, then tap Countries, Categories, Languages or Types to select a title.
3. Once you find a title, tap *Open*. This will automatically download the publication to your device so it will be available offline. (The download process can take a few minutes, depending on the publication you've selected.)

Your authentication for PressReader lasts 72 hours. After it expires, PressReader will prompt for payment. Richmond library members are not required to pay! Reauthorize as follows:

- Tap *Accounts* (or the silhouette icon).
 - Tap your account information.
 - Tap *Sign Out*.
 - Tap *Sign In* and sign back in with your library card.
