

## PRESSREADER QUICKSTART GUIDE: HOW DO I FIND A PARTICULAR NEWSPAPER?

---

### Computer or Laptop:

1. Go to [www.pressreader.com](http://www.pressreader.com)
2. From the home screen, go to the main navigation menu by clicking the three-bar icon in the top left corner. 
3. Click 'Publications' to select titles by Countries, Languages, Categories, or Publication Types, or use the keyword search in the top right of the screen.
4. Read any publication in its original **Page** format (looks exactly like the print publication) or use SmartFlow **Text** (a horizontal view that sizes to any screen):

a) Switch easily between **Page** and **Text** views by right-clicking; clicking on highlighted headlines, or using the on-screen menu options:

b) Click the nine-dot symbol for additional article options, such as audio or sharing:
