

WINTER GARDENING SERIES

Preparing Your Garden for Spring

Gardening in the west coast allows us to get started in our gardens a few months before the rest of our neighbours to the east! Whether you want to be a gardener, a new gardener or seasoned gardener this session will help you get ready for spring.

First Steps to this Year's Vegetable Garden

Are you interested in a vegetable garden? Join Master Gardener James Spears, a year round vegetable gardener. Learn to plan on paper in February for March soil preparation and planting in April and May. For the adventurous, try using inexpensive techniques to start plants indoors. For the more cautious, learn which plants to economically purchase at a garden centre, and which plants can be directly seeded.
