Library Board Trustee

Richmond City Council is looking for adult Richmond residents with a history of community involvement to serve on the Richmond Public Library (RPL) Board starting in January 2027.

The RPL Board provides governance for one of Richmond's most used and valued community services. RPL creates opportunities for residents of all ages and backgrounds to learn, connect and belong. To ensure the realization of these strategic goals, RPL Board responsibilities include approving and developing library governance policies, approving operating and capital budgets, and contributing to the strategic plan for inclusive, innovative and responsive library service. The Board also plays a critical role in lobbying and advocating for the resources required to fulfill the mission and vision of the library.

The RPL Board is legislated under the provincial Library Act. City Council makes citizen appointments to the RPL Board. Appointments consist of two-year terms (from January 1 to December 31), for a maximum of eight consecutive years.

What is the time commitment? As community volunteers, Board trustees commit to preparing for and attending 10 regular meetings a year (approximately 20 hours) plus participating in various Board-related activities that include committee meetings, speaking engagements, networking and community events (approximately 40 hours).

Interested in applying? RPL seeks to develop a Board whose trustees represent a diversity of culture and community, knowledge and experience, and who are passionate about the library's role in inspiring curiosity, transforming lives and empowering everyone in our community. Please submit your application and resume no later than **Friday, September 25, 2026** by:
